[ENEPRI Research Reports present the findings and conclusions of research undertaken in the context of research projects carried out by a consortium of ENEPRI member institutes. This report is a contribution to Work Package 7 of the ANCIEN project, which focuses on the future of long-term care for the elderly in Europe, funded by the European Commission under the 7th Framework Programme (FP 7 Health-2007-3.2.2, Grant no. 223483). See back page for more information. The views expressed are attributable only to the authors in a personal capacity and not to any institution with which they are associated. The results and conclusions of this paper are those of the authors and are not attributable to Eurostat, the European Commission or any of the national authorities whose data have been used.]

[Principal and Partner Institutes CEPS is responsible for administrative coordination and dissemination of the general results (WP 8 and 9). The Belgian Federal Planning Bureau (FPB) and the Netherlands Bureau for Economic Policy Analysis (CPB) are responsible for scientific coordination. Other partners include: German Institute for Economic Research (DIW); Netherlands Interdisciplinary Demographic Institute (NIDI); Fundación de Estudios de Economía Aplicada (FEDEA); Consiglio Nazionale delle Ricerche (CNR); Università Luiss Guido Carli- Luiss Business School (LUISS-LBS); Institute for Advanced Studies (IHS); London School of Economics and Political Science- Personal Social Services Research Unit (PSSRU); Istituto di Studi e Analisi Economica (ISAE); Center for Social and Economic Research (CASE); Institute for Economic Research (IER); Social Research Institute (TARKI); The Research Institute of the Finnish Economy (ETLA); Université de Paris-Dauphine-Laboratoire d'Économie et de Gestion des organisations de Santé (DAUPHINE- LEGOS); University of Stockholm, Department of Economics; Karolinska Institute- Department of Medicine, Clinical Epidemiology Unit; Institute of Economic Research, Slovak Academy of Sciences (SAS-BIER); Center for Policy studies (PRAXIS). Most of the ANCIEN partners are members of the European Network of Economic Policy Research Institutes (ENEPRI).]

Organization for Economic Cooperation and Development, Ankit Kumar, Michael Schoenstein, '**Managing Hospital Volumes: Germany and Experiences from OECD Countries**', 2013, http://www.oecd.org/els/health-systems/ManagingHospitalVolumes_GermanyandExperiencesfromOECDCountries.pdf

[The OECD is funded by its member countries. scale of member countries' contributions to the OECD core budget to the annual budget are based on a formula related to the size of each member's economy. The largest contributor is the United States followed by Japan. With the approval of the Council, countries may also make separate contributions to particular programmes not funded from

the main budget. The size of the annual budget as well as its programme of work are determined by the Council.]

The European Observatory on Health Systems and Policies / Nivel

The European Observatory on Health Systems and Policies, Nadine Genet, Wienke Boerma, Madelon Kroneman, Allen Hutchinson, Richard B Saltman (eds.), '**Home Care across Europe. Current structure and future challenges**', 2013, Observatory Studies Series 27, http://www.euro.who.int/data/assets/pdf_file/0008/181799/e96757.pdf

[The European Observatory on Health Systems and Policies supports and promotes evidencebased health policy-making through comprehensive and rigorous analysis of health systems in Europe. It brings together a wide range of policy-makers, academics and practitioners to analyse trends in health reform, drawing on experience from across Europe to illuminate policy issues.

The European Observatory on Health Systems and Policies is a partnership between the World Health Organization Regional Office for Europe, the Governments of Belgium, Finland, Ireland, the Netherlands, Norway, Slovenia, Spain, Sweden and the Veneto Region of Italy, the European Commission, the European Investment Bank, the World Bank, UNCAM (French National Union of Health Insurance Funds), the London School of Economics and Political Science, and the London School of Hygiene & Tropical Medicine.]

Nivel, Nadine Genet, Wienke Boerma, Madelon Kroneman, Allen Hutchinson, Richard B Saltman (eds.), '**Home Care across Europe. Case Studies**', 2013, <http://www.nivel.nl/sites/default/files/bestanden/Home-care-across-Europe-case-studies.pdf>

[This is Volume II of a book resulting from the EURHOMAP study that was carried out from 2008 until 2010. The project was coordinated by the Netherlands Institute for Health Services Research (NIVEL) in collaboration with other researchers and their institutes in European countries.]

Sociaal en Cultureel Planbureau

Sociaal en Cultureel Planbureau, Debbie Verbeek-Oudijk, Isolde Woittiez, Evelien Eggink, Lisa Putman, '**Who cares in Europe? A comparison of long-term care for the over-50s in sixteen European countries**', juni 2014, www.scp.nl/english/dsresource?objectid=36940&type=org

[Het SCP verricht deze taken in het bijzonder bij problemen die het beleid van meer dan een departement raken.
De minister van Volksgezondheid, Welzijn en Sport is als coördinerend minister voor het sociaal en cultureel welzijn verantwoordelijk voor het door het SCP te voeren beleid. Over de hoofdzaken hiervan heeft hij/zij overleg met de minister van Algemene Zaken; van Veiligheid en Justitie; van Binnenlandse Zaken en Koninkrijksrelaties; van Onderwijs, Cultuur en Wetenschap; van Financiën; van Infrastructuur en Milieu; van Economische Zaken; en van Sociale Zaken en Werkgelegenheid.]

European Centre for Social Welfare Policy and Research

European Centre for Social Welfare Policy and Research, Ricardo Rodrigues, Manfred Huber, Giovanni Lamura (eds.), '**Facts and Figures on Healthy Ageing and Long-term Care Europe and North America**', 2012, http://www.euro.centre.org/data/LTC_Final.pdf

[This publication is part of the MA:IMI project (Mainstreaming Ageing: Indicators to Monitor Implementation), which is an institutional collaboration between the European Centre for Social Welfare Policy and Research (ECV) and the United Nations Economic Commission for Europe (UNECE). Research carried out under this project has been made possible thanks to the contributions of sponsor countries to MA:IMI, namely Austria, France, Israel, Spain and Switzerland, as well as the UNECE Secretariat. This publication in particular was made possible through the generous dedicated financial support of the French Ministry of Social Affairs and Health.]

Peterson Institute for International Economics

Peterson Institute for International Economics, Jacob Funk Kirkegaard, '**The True Levels of Government and Social Expenditures in Advanced Economies**', Peterson Institute for International Economics, Policy Brief, march 2015, <http://www.iie.com/publications/pb/pb15-4.pdf>.

[This Policy Brief updates the analysis in Kirkegaard (2009) and builds extensively on the data presented by the Organization for Economic Cooperation and Development (OECD 2014). It is part of the Institute's project on Inequality and Inclusive Capitalism supported by major grants from the ERANDA Foundation.]

SIRM

SIRM – Strategies in Regulated Markets, Jan-Peter Heida, Bouke-Jan Otter, '**Vergelijking Europa. Vergelijking van prestaties van ziekenhuizen in Nederland, Frankrijk, Duitsland, Denemarken, Spanje, Zwitserland, Groot-Brittannië, Oostenrijk en België op basis van gegevens van de OECD en andere bronnen**'. Achtergronddocument NVZ brancherapport ziekenhuizen, 2012. http://www.zorgvisie.nl/PageFiles/79863/002_RBIAadam-download-ZVS14363D01.pdf

[Een project in opdracht van de Nederlandse Vereniging van Ziekenhuizen (NVZ)]

Commonwealth Fund

The Commonwealth Fund, Elias Mossialos, Martin Wenzl, Robin Osborn and Chloe Anderson (eds.), '**2014 Interantional Profiles Of Health Care Systems, Australia, Canada, Denmark, England, France, Germany, Italy, Japan, The Netherlands, New Zealand, Norway, Singapore, Sweden, Switzerland, and the United States**', januari 2015,

http://www.commonwealthfund.org/~media/files/publications/fund-report/2015/jan/1802_mossialos_intl_profiles_2014_v7.pdf

[The Commonwealth Fund is a private foundation that promotes a high performance health care system providing better access, improved quality, and greater efficiency. The Fund's work focuses particularly on society's most vulnerable, including low-income people, the uninsured, minority Americans, young children, and elderly adults. The Fund carries out this mandate by supporting independent research on health care issues and making grants to improve health care practice and policy. An international program in health policy is designed to stimulate innovative policies and practices in the United States and other industrialized countries]

[Grantee Organization: Scientific Institute for Quality of Healthcare, Principal Investigator: Gert Westert, Ph.D. Award Amount: \$34,507.00 Approval Date: February 7, 2014, <http://www.commonwealthfund.org/grants-and-fellowships/grants/2014/feb/expansion-of-2014-commonwealth-fund-international-health-policy-survey-to-include-the-netherlands>]

Health Consumer Powerhouse

Health Consumer Powerhouse, Arne Björnberg, '**Euro Health Consumer Index 2014**', 2015

http://www.healthpowerhouse.com/files/EHCI_2014/EHCI_2014_report.pdf

[De index wordt samengesteld op basis van openbare statistieken, patiënten-enquêtes en onafhankelijk onderzoek, dat wordt uitgevoerd door Health Consumer Powerhouse Ltd., een in Zweden gevestigde privéonderneming, die de prestaties meet van de gezondheidszorgsector in Europa en Canada ter ondersteuning van de empowerment van patiënten en consumenten. De EHCI 2014 wordt mogelijk gemaakt door de onbeperkte bijdragen van Medicover S.A. België, New Direction Foundation, België.]
